The recently launched iPhone 6s is a very attractive phone. Its aluminium slim line body and an A9 processor inside make it very alluring. But in order to keep the phone looking good, a case is needed. We have rounded up the best iPhone 6s cases that look just as good as the smartphone itself.

Peli ProGear Voyager Phone Case – Best iPhone 6s cases

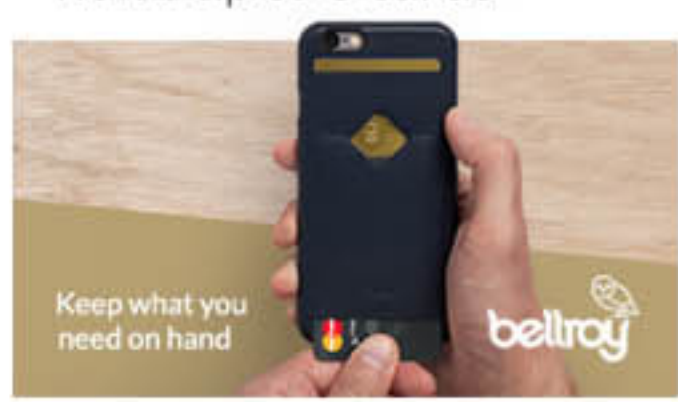

The new Peli Progear Voyager case will defend your phone against rugged drops and sharp-edged attacks to the screen. Multiple layers of rigid polycarbonate and energy-absorbing TPR and PU rubber protect your phone.

It has a slim design with soft-touch over-mold is easy to hold and won't slide off surfaces and is constructed of impact absorbing materials – TPR and PU rubber inside a rigid polycarbonate shell. It is also tested to military specifications to survive multiple drops.

The Voyager phone case can be purchased from Amazon.

An iPhone case that holds up to 3 cards

Tech21 – Best iPhone 6s cases

This case manufacturer has two cases for the iPhone 6s; Evo Elite and Evo Mesh Sport.

The **Evo Elite** line delivers a smooth aluminum finish, colour matched exactly to the iPhone's iconic aluminum backing. The **Evo Mesh Sport** line is the first on the market to feature bright colours identical to the Apple Watch Sport bands (blue, green, pink, smokey black and white), providing consumers with the freedom to match their case to their watch.

Price: Evo Elite is £39.95 and the Evo Mesh Sport is £29.95

Mophie Juice Pack – Best iPhone 6s cases

The juice pack air for iPhone 6s and juice pack for iPhone 6s Plus boast high-impact protection, which includes rubberised support points inside the case to guard your phone against everyday drops and falls. The juice pack plus for iPhone 6s is designed with mophie's proprietary Impact Isolation System—an increased level of protection—which features shock-absorbing bumpers that provide protection against the most brutal impacts.

Incorporating quick-charge and pass-through technology within each model, users can charge and sync their phone simultaneously and at a rapid rate. To enhance audio quality, forward-ported speakers are strategically positioned while the exterior includes pass-through volume, mute and power buttons to seamlessly blend the design of the case with your iPhone. Please see the press release attached with further info.

Price: £76
